CAPTAIN OANOT.
AUTHOR OF THE GREAT BOOK JUST RE-
CENTLY PUBLISHED, SPEAKS OF HAMPTON'S
TREATY OF RHEUMATISM CONTRACTED
UNDER TROPICAL CLIMATES.

BALTIMORE, Md., June 4, 1854.
Mr. Squire, of the Franklin Hotel, Light street,
Baltimore.

Dear Sir: Being on the point of leaving the city,
I avail myself of a few idle moments to thank you
for the medicine you sent me, and which has
restored me to the use of my limbs. I beg you to
send me more, to carry on my voyage.

Since I had the fortune to meet Dr. Hampton's Vege-
table Tincture my confidence is so strong that, in
gratitude to the proprietors of said medicine, I beg
you to present my respects to them, and induce
them to send me more of the same. I have been
suffering from this complaint since the 10th of
April last, and seen me prostrated on my bed,
unable in all my limbs, you can appreciate nearly
as much as myself the prompt relief I received from
Dr. Hampton's Tincture, and I am positive that
it has been your strong and forcible recom-
mendations. I should still have been in bed.

It is really a pity this specific should not be ap-
plied to all cases of rheumatism, and I feel all pains
should suffer the impatience the public generally
give to such preparations. I myself, who was al-
ways opposed to a patented specific, took this medi-
cine with reluctance, and without confidence in it,
and it is only through your kind and useful
recommendations, and my original distrust that I
traced me to try this really beneficial Vegetable
Tincture.

You may inform Messrs. Mortimer & Mowbray
that I am free to make use of my name in the
support of the good effects of Dr. Hampton's Vege-
table Tincture, as it has cured me in two weeks
of a chronic inflammatory rheumatism, contracted
under tropical climates, and of seven years' periodic
rheumatism, which I had been suffering from since
I left my native land, and I am positive that
that even the deformed parts of my hands are fast
returning to their former natural appearance.

I have been under the treatment of several phy-
sicians in London and Paris, without any apparent
benefit. I have also tried Dr. Hampton's Vege-
table Tincture, and I am positive that it has
